

Optimizing healthcare delivery and fostering youth empowerment through education

Dear Friends of MKF, compliments of the season! We hope you are having a safe and enjoyable holiday. MKF's 2021 was productive, and we would like to thank our donors for their generous support. We would also like to thank the Mercy Michael Foundation, a nonprofit essential to our international operations. Below are some highlighted activities:

Construction of a toileting facility at L.E.A Primary School, Nasarawa, Nigeria

Abandoned structure

The only toileting facility at this school for several years was an abandoned structure. The Karu local government was extremely grateful for this much-needed intervention.

New facility under construction

Completed facility

We also distributed notebooks and book bags to the students.

World AIDS Day Programming, Nasarawa, Nigeria

We provided HIV testing, counseling, and distribution of contraceptives. Out of 166 people tested, five people (4 new, 1 previously known) were positive, **yielding a positivity rate of 3%**. This is major. Four of them were successfully linked to care.

Dental Services

Association of Nigerian Physicians in the Americas 2021 Virtual Missions Trip, Calabar, Nigeria

The ANPA Missions Trip was conducted virtually this year due to the ongoing COVID pandemic, and provided medical and surgical care to underserved populations in collaboration with Nigerian-based physicians. MKF donated 100 COVID tests to the mission as a contribution towards patient safety.

University of Alabama at Birmingham (UAB) Fund for International Students

MKF donated to the UAB International Student Scholarship fund (in collaboration with the National Alumni Society).
