The M. Kukoyi Foundation Newsletter

Year-End Impact Report
(July – December)

Edition #5

Welcome to the fifth edition of our newsletter! In this edition, we're excited to share the latest updates on our projects, highlight impactful stories from the field, and offer a detailed look at the progress we've made in the last half of 2025.

A Note from the Founder

Dear Friends of MKF,

As 2025 comes to a close, I reflect with deep gratitude. This year, we strengthened our commitment to health education, trauma support, and community upliftment across Nigeria. The work has been steady, meaningful, and life-changing. And none of it would be possible without you.

Thank you for believing in this mission, for standing with us, and for helping us bring emergency care, education, and dignity to communities that need it most. Thank you for walking with us.

As you finalize your year-end giving, we invite you to consider making a donation to The M. Kukoyi Foundation. Your support allows us to continue responding to emergencies, expanding access to life-saving training, and investing in communities where the need is greatest. Every contribution—big or small—helps us carry this work forward into the year ahead.

With appreciation,

Mobola Kukoyi, MD, MPH

Founder, The M. Kukoyi Foundation

Program Highlights – July to Dec 2025

C.A.R.E Project (CPR & Accident Resuscitation Education)

Ongoing Since: April 2023

Goal: To increase bystander readiness in emergencies by teaching CPR, bleeding control, burn care, and basic first aid.

Our C.A.R.E Project continued stronger than ever, bringing hands-on CPR, bleeding control, burn care, and emergency response skills to students and community members across Lagos.

Recent trainings included:

- **ALX Africa (July)** – 44 participants
- **The Muslim Student Society of Nigeria – University of Lagos Chapter (July)** – 39 participants
- **National Health Students Society (Sept)** – 58 participants
- **Lagos State Scout Council (Oct 18)** – 27 participants

This bring the total to 168 participants trained in the last half of 2025.

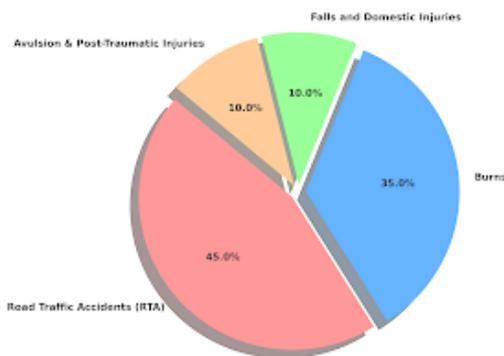

TOTAL IMPACT FOR 2025:

325 people trained in CPR and First Aid this year alone – a powerful testament to the reach of community training.

Our volunteer trainers, supervised by licensed medical professionals, continue to lead impactful, hands-on workshops with the support of our Basic Life Support (BLS) equipment, manikins, and training kits.

Trauma Intervention Program

From July to December 2025, we supported **27 trauma patients** across partner hospitals. Cases included:

- Severe burns
- Fractures and dislocations
- Road traffic accident injuries
- Deep lacerations, avulsions, and heavy bleeding
- Emergency surgical interventions

Each intervention was funded to ensure timely care within the critical first 24 hours—often the difference between life and death.

TOTAL TRAUMA SUPPORT IN 2025:

 76 trauma patients supported across the year.

Partnerships & Community Projects

Princess Adetutu Ogunsanwo (PAO) Foundation

This December, MKF partnered with PAO Foundation to bring joy, dignity, and relief to students and teachers at:

U.A.M.C (Eleja) Primary School, Igbogbo

Completed Impact:

- **100 schoolbags** donated
- Each bag included school supplies: notebooks, pens, pencils, sharpeners, erasers, rulers, and water bottles
- **Foodstuff packages for 30 teachers**, honoring their dedication and supporting their households during the December season
- Each Package included: a mini bag of rice & garri, a bottle of groundnut oil, and spices.

This collaboration strengthened our education support mandate and planted seeds of hope for a brighter academic year ahead.

1. School Infrastructure Support

MKF donated **30 classroom furniture units** (seating over 60 students) to:

L.G.E.A Pilot Science Primary School, Mararaba Gurku, Karu LGA, Nasarawa State

These desks and benches give children a cleaner, safer, and more dignified environment for learning.

2. Feed & Clothe the Elderly Outreach

A December outreach supporting **150 elderly individuals** with:

- Foodstuff
- Clothing
- Emotional support
- Preventive Health Screenings

3. Sexual & Reproductive Health Outreach

Also completed in December, serving **150 community members** with:

- Health talks
- HIV, Hepatitis B & C screening
- BP & glucose checks
- Free vaccinations
- Condom distribution
- Referral and linkage to care

This project strengthened our joint commitment to prevention, early detection, and community health literacy.

Events & Fundraising (Second Half Highlights)

- **Annual Webinar:** We hosted an educational webinar this year (thank you to all who attended and shared).

- **Gala 4:** Our 4th Annual Gala took place (virtual). Thank you to every donor, sponsor, and guest who helped make it possible.

- **Funds raised:** We are grateful to report **\$9,755** raised in donations during 2025 – funds that directly support our programs and emergency interventions.

What Success looks like – 2025 by the numbers

Here's what we achieved together:

Program Area

Impact

C.A.R.E CPR & First Aid Training

325 individuals trained in CPR and First Aid

Trauma Intervention Support

76 trauma patients supported with emergency care funding

School Furniture Donation

30 furniture units donated (**60-student seating capacity**)

Laptop & Headset Donation

3 HP Envy x360 laptops and **3** JBL headsets donated

Schoolbags & Educational Supplies Distribution

100 schoolbags distributed with educational supplies

Elderly Outreach Program

150 elderly beneficiaries reached

Sexual & Reproductive Health Outreach

150 beneficiaries reached through sexual health outreach

Medical Screening Programs

Community medical screenings conducted for **HIV, Hepatitis B & C, blood glucose, and blood pressure**

Fundraising & Resource Mobilization

\$9,755 total funds raised in 2025

Strategic Partnerships & Collaborations

Partnerships with **PAO Foundation, Mercy Michael Foundation, and CAIN Africa**

Looking Ahead: 2026

In the new year, MKF aims to:

- Scale the C.A.R.E Project to more Lagos communities (markets, motor parks, schools)
- Continue hospital partnerships for trauma intervention
- Launch new school-based health and empowerment initiatives
- Strengthen digital literacy and youth-focused educational activities
- Expand volunteer engagement and training

Stay tuned for More Updates!

How You Can Help

Every bit of support expands our reach and deepens our impact.

Volunteer with us

Volunteer

Join our growing team! Support our health outreaches, and media efforts, or help behind the scenes with admin coordination.

Make a One-time or Mo...

Donate

Your support funds emergency medical care, digital learning tools, and wellness outreach for underserved communities.

Email

Partner

Let's reach more communities together. Collaborate with us as an organization, nonprofit, or health institution.

Other ways you can get involved and make a difference:

Enroll us in your Workplace Matching Program

Many employers match donations made by their employees. Enrolling us to your employer's giving platform (like Benevity or YourCause) means your gift could go twice as far.

Host a Local Fundraiser

From bake sales to community walks, you can organize a fundraising event in your area to support our mission.

Support Through Corporate & Social Impact Platforms

We're listed in national nonprofit repositories like Benevity. This allows businesses (restaurants, retailers, and corporate partners) to direct a portion of proceeds or customer donations to our foundation.

Thank You for 2025

Your support carried us through another year of meaningful impact. Every training, every donation, every shared post, every partnership — it all matters.

We look forward to doing even more together in 2026. Wishing you a restful holiday season and an energised start to 2026.

With gratitude,
The M. Kukoyi Foundation Team
